

Nessuno Escluso APS

Proposal for the revitalization of a small rural community in central Italy

San Giovanni Lipioni (in a nutshell)

- ❖ A vibrant community in the hilly heart of the Abruzzo region, nestled between the mountains and the sea
- ❖ 152 full-time residents, and an extended community of part-time residents from different generations and continents
- ❖ Blessed with invaluable cultural heritage, a diverse environment, and enormous unexplored potential for sustainable living

About Us

- ❖ **Nessuno Escluso APS** is a nonprofit grassroots association founded in June 2020 by a diverse group of community members
- ❖ Our members include both full-time and part-time residents of the community
- ❖ We work closely with the municipal administration, other local associations, and non-members

Our Objectives

- ❖ Nessuno Escluso APS is a community-driven effort dedicated to the revitalization of San Giovanni Lipioni
- ❖ We promote its sustainable development to ensure long-lasting, broad-based prosperity and social cohesion for the community
- ❖ We work to preserve, enhance, and enjoy the community's cultural, social and environmental assets, as well as to strengthen cooperation among community members, neighbors, and friends

Our Activities

- ❖ Promoting greater and better utilization of the community's real estate assets and public facilities
- ❖ Mapping, maintaining, and enhancing the cultural, social, and environmental heritage of the community
- ❖ Strengthening the social fabric of the community
- ❖ Cooperating with international partners to share best practices and experiences
